

Carnival of Steel

2012 Richland College *Carnival of Steel* Site Map: Unloading/Parking/Set-Ups/Tear-Downs/Loading

2. Performer & Equipment

Vehicle Parking (Several Lots exist)

3. Travel Path to Performance Site

1. Loading Dock Area 1

5. Fannin Hall

4. Outdoor Performance Site (under Breezeway Roof)

6. Loading Dock Area 2

[Performance Hall]

["Richland Lakeside Stage"]

1. **Unloading:** Unload equipment by the side walk in Loading Dock Area 1 and transport to the "Lakeside Stage" via the sidewalks. *Instrument cases should be packed on trucks/buses and not stored around the performance area due to space constraints.*
2. **Parking:** There are several lots from the street in to the loading area. Park trucks and buses in the back of an open lot. Attendants may direct you to these areas.
3. **Set-Ups:** Areas A and B are the band performance locations. A COS attendant will direct groups on set-up times in each Area.
4. **Tear-Downs:** After each performance, packing & moving equipment out of the performance Area back to the Loading Dock Area 2 needs to occur within the 20-minute allotted time.
5. **Loading:** Trucks may be loaded in Loading Dock Area 2 if necessary to reload equipment after the group performance. The vehicle must then be re-parked in an open lot for attending the rest of the event upon loading completion.

***All locations will be marked with posted signs.**
