

**Notes from Council on Community Building Meeting
February 10, 2004**

In attendance: Robert Baker, Roy Bond, Dru Bookout, Bobbie Harrison, Peter Irwin, Bill Neal, Jerry Owens, Paul Pascal, Whitney Rosenbalm, Chuck Sheffield, Susan Barkley

Staff/Faculty Lounge

Everyone contributed in helping to make the grand opening of the staff/faculty lounge a success. Refreshments in the afternoon for adjunct will be discontinued after today due to the small number of employees utilizing the lounge after 4:00PM. Susan will ask the adjunct office to post a sign reminding adjunct that they are invited to the lounge. Some future ideas for the lounge were discussed:

1. Continuation of serving coffee – possibility of each division taking turns for the responsibility. The Council concluded that it might be a conflict with cafeteria services. There is a microwave and we could provide popcorn.
2. Employees have requested more couches and easy chairs.
3. Security concerns- The wall clock has disappeared and there is some concern about artwork, computers and plants disappearing. Robert and Jerry will look into security of the area.
4. Suggestion for providing a tapestry for the slanted window area.
5. Comedy Corner – suggestion for a bulletin board to display cartoons
6. Agreement on no TV or music. This should be a place to meet and talk.
7. Theme Weeks might encourage people to attend.
8. Request for a picture of employees in the lounge for the ThunderBridge

Thanks to Pablo for getting our site up and running.

Wall of Honor

The majority of the meeting was spent evaluating nominees submitted for the Wall of Honor. Ten nominations had brief sentences and did not provide enough information to evaluate the candidates. In the future we will change the wording on the nomination form so it does not say – Briefly describe. We will ask those who submitted nominations without substantial support to resubmit these students at the next nomination process. There is a concern about the position of the pictures being changed. From the nominations the following students were selected for the next Wall of Honor.

Greg Gross

James Michael Hernandez

Johnny Majors

Ana Quesado

Mitzie Wirther
