Academic Systems DMAT 0090 Homework Assignments

In order to receive credit for your homework problems (to take the test covered by the problems) you must: 1) number each section and number each problem you work in that section 2) work the problems out completely (showing all of your steps) in your spiral notebook and 3) check your answers from the back of your PAN. Homework will not accepted answers without the work shown. Illegible, sloppy work that I cannot read and follow the steps will not be accepted.
