## Words from the Director of Facilities

The campus-wide 'Recyclemania' competition ended after one month on March 28. Jerry Owens and Sonny McDonald reported that Richland came in 2<sup>nd</sup> in Texas in our first year to compete. Other Texas schools of higher education included Univ. of Houston, North Lake College, Univ. of Texas Medical, Trinity Univ., UTD, UTA, UNT, Rice Univ., and Texas A&M.

Construction is finishing up at the Richland College Garland Campus where one section has been completed. The Garland Chamber of Commerce moved into their new offices and began operations on April 20. Classrooms, labs and offices are being readied for campus operation with a tentative dedication date of late June. Construction of Sabine Hall (the new science building) along with the addition to Pecos, installation of the east parking lot and all-weather sports field road have progressed in between rain and wind delays.

Dallas Cup XXX, the international youth soccer tournament, took place the week of April 6 utilizing the soccer complex at Richland. Many Thunderducks were involved in preparation of the fields and volunteer support of this popular event.

If your birthday is in April and your name wasn't listed. Please let us know in P131.

## The Exalted Order of The Snowy White Fillet

*Congratulations to the 2009 Facilities Inductees*

**Anson Ngo**  
*Operations*

10-year  
Inductee

Anson is described as a very hard worker who demonstrates outstanding ability in his work. He is responsible for getting the college ready for teaching and learning by checking classroom temperature and elevator safety.

**Sonny McDonald**  
*Coordinator of  
Facilities  
Services*

20-year Inductee

Sonny, as he prefers to be called, is responsible for contract landscape services for the RLC baseball field, LeCroy and the new Garland Campus. He also assists Jerry Owens with waste management, recycling, utilities management, and working with the EPA on environmental requirements.

**Jose Resenes**  
*Equipment  
Operator*

20-year  
Inductee

Jose has developed superior skills in turf and horticulture maintenance and is directly in charge of planting all color beds. His special skill as a mason has proved valuable on many occasions. Jose serves as a mentor and lead person for newer employees.

**LeeAnne Scott**  
*Executive  
Assistant*

25-year  
Inductee

LeeAnne started her District career at BHC Continuing Education Division in 1984. She worked the "front lines" for 13 years, and also worked a short time in the Workforce Education Division. She came to RLC in 1998 as department assistant and is now the Executive Assistant to the Director of Facilities.

**Jerry Owens**  
*Assistant  
Director of  
Facilities  
Services*

25-year Inductee

Jerry became an RLC student in 1972 and HVAC operator. He was chief operator engineer at MVC from 1976-78 and RLC from 1978-80. In 1984, Jerry returned to RLC as chief operator engineer and in 1997, he became Assistant Director of Facilities. He has taken a leadership role in the campus and District energy management and sustainability.

**Eugene Fernandez**  
*Director of  
Facilities*

New to Richland Inductee

Eugene has been with the LeCroy Center from 1996 until 2008 as Director of Facilities. In Sept. 2008, through collaboration between RLC and the LeCroy Center, his responsibilities include overseeing the new Garland Campus and the Receiving Dept. at Richland. In March 2009, the Operations and Grounds divisions at RLC were added to his responsibilities.
