## Words from the Director of Facilities

### What a YEAR!

As 2009 draws to a close, we can reflect on 12 months filled with progress, change, new beginnings ...and surprises!

Dedication of the Richland College Garland Campus, completion of the new Sabine science building/expansion of the central plant, addition of a new electronic marquee, removal of Uvalde, renovation of the Shops at Pecos, initiation of the extensive adaptive reuse project, renovation of three roofs/ journalism rooms, replacement of the Fitness Center floor, replacement of storefront doors/fire alarm system/skylights and receipt of two significant awards for sustainability... made for a full and rewarding year.

Over the coming holidays we catch our collective breath, enjoy time with our families and turn to welcome new employees, a new Sabine and continued success at Richland. I wish each of you a happy and prosperous 2010!

If your birthday is in December and your name wasn't listed. Please let us know in P131.

## NEW Thunderducks!

We would like to welcome Ruben Moreno as one of our Journeyman Electricians. Ruben started on Dec. 7, 2009. Congratulations and welcome to Richland!

We would like to welcome Cheri Stanley as Assistant Director. Cheri started on Dec. 6, 2009 as a part-time employee and will begin her full-time role on Jan. 4, 2010. Congratulations and welcome to Richland!

## TRAINING

SWOT Workshop - Mandatory for Facilities employees will be held on Friday, December 18 from 2 - 4 pm. Locations tba.

Austin Longacre attended the Irrigation Show 2009 in San Antonio, TX during the week of November 30th.
