## **Words from the Director of Facilities**

As we look with excitement to the start of a new academic year, we can also reflect with satisfaction to the many improvements on the Richland campus where Facilities and GCA employees were directly involved.

Our progress with building a sustainable learning environment and increasing quality and production goals has been recognized by faculty, staff and administration over the last 12 months.

Please join in the celebration of our accomplishments as we have our annual luncheon.

## **Kick-off '08-'09**
