Words from the Director of Facilities

Reflections...

As 2008 draws to a close, we can reflect on a year of changes. The new science building and central plant are taking shape and rapidly becoming prominent landmarks on campus. Kiowa Classroom Building is proving to be a popular teaching/learning facility. Completion of the premier soccer field helped Richland host the NJCAA National Tournament last month.

Great strides were made on campus in the areas of energy and water conservation, recycling, and furniture upgrades. Soon after the first of the year, the new Richland College Garland Campus will open for students. Facilities Services continues to evolve with the arrival of Eugene Fernandez and several new full and part-time employees.

My wish is for each of you is a joyful holiday season and prosperous 2009!

Congratulations!

Congratulations to LeeAnne Scott, Executive Assistant as the Employee of the 2nd Quarter for Dec. 2008 – Feb. 2009. Thanks for a job well done!
