RICHLAND COLLEGE

FACILITIES SERVICES

MONTHLY NEWSLETTER

Layout and Design by Jerri Arredondo
Innovator: Jerry Owens

Words from the Director of Facilities

GRADUATION Busy Times

Relocation of many underground utility lines and pipes to accommodate the new Science Building is nearing completion.

New hot and cold water lines are being hung under Sabine Hall at night. These will supply the new HVAC system.

A new fire lane is nearing completion on the north and east sides of Sabine.

Washita will be moved to the north side of the Pecos service yard where it will begin its new life as an office, shop and storage facility.

Congratulations!

We would like to congratulate Donte Hoover on completing the Journeyman Electrical Exam Review as a part of his Continuing Education

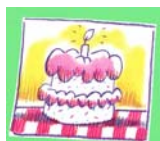

Course taken at EastField College. He is commended for his satisfactory completion and was awarded a certificate on May 7, 2008.

Welcome!

We would like to welcome Le "Kristine" Pham, who is now the Facilities Services Sr. Data Entry Operator. She has come here from the Printshop in Sabine.

We would like to welcome Lawrence 'Michael' Chamberlin to Facilities Services as the new Carpenter II.

MAY BIRTHDAYS

If your birthday is in May and your name wasn't listed. Please let us know in P131.

EMPLOYMENT

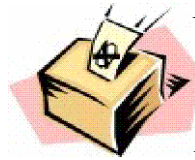

PT Groundskeeper Seasonal
(1 position)
Richland College
FT/\$1,338.00/Mo.
open until filled

CONGRATS

Congratulations to long drive winners Shane Graef and Mary Baldwin as well as the Closest to the Pin winners Gary Hearn and Jan Parrish.

Congratulations to Jerri Arredondo, on successfully completing Web Design I this past semester and receiving a letter grade of B. Even more impressive is the fact that she accomplished this without a drop in her high level of production.

I know LeeAnne Scott, Glenn Child, and Charmayne Hightower (all of whom helped cover your shift), along with Jerry Owens, join me in this praise.

Ballots for the **Employee of the Quarter** award for the 4th Quarter **(June 2008 - August 2008)** are available now in P131.
Last day to vote is **Friday, May 30, 2008.**

ON CAMPUS

Donte Hoover is hooking up the power to the temporary chiller outside of E069 for the emergency cooling of the Alamito and Crockett buildings.

Guess who?

Who do you see in the picture? What are they doing and why?

Send in your entry form on the question above for a chance to win a prize during the next birthday celebration. 1st, 2nd and 3rd prizes will be awarded.
