Outstanding Employee of the Month

October 2008

Raymond Choice
Facilities Services

An excerpt from a congratulatory letter from Dr. Mittelstet:

“Dear Raymond:

Congratulations on being selected the Richland College Outstanding Employee for October 2008. Your award is well-deserved recognition of the exemplary service you have provided Richland College.

As Grounds Foreman with the Grounds Maintenance department of Facilities Services, your leadership and dedication to maintenance excellence of the 243-acre campus landscape, lake, and sports fields have provided students, employees, and the community with an aesthetically pleasing environment for all who come to learn, work, and play at Richland College. You also capably installed all 17 western red cedar Peace Poles located throughout the campus and attentively maintain them as they display their important message for all to view.

During your 25 years of employment at Richland College you have distinguished yourself as an exceptional “hands on” supervisor. Because of your strong work ethic, attention to detail, varied skills, and good character, you have served as a mentor for virtually all new Grounds Maintenance employees, resulting in an exceptionally competent work group....”
